Application, Professional Development Program

Gain knowledge about how to integrate media literacy and active listening into your curriculum and work with a partner to develop teaching and learning ideas, resources, and assignments in a professional learning community. Learn more about the program here.

If accepted into the program, you will receive a $500 stipend and will be expected to implement at least 1 learning activity with your students during the 2023 - 2024 school year. Ten CEU hours will be issued to those who complete the program. You will be formally recognized at a culminating event in fall 2024.
