The Honorable Charles Schumer  
Majority Leader  
United States Senate  
Washington, DC 20510

The Honorable Mitch McConnell  
Republican Leader  
United States Senate  
Washington, DC 20510

Dear Leader Schumer and Leader McConnell:

President Biden has pledged to sign the Protecting Americans from Foreign Adversary Controlled Applications Act that would prohibit TikTok from operating in the United States unless the Chinese Communist Party is divested of control. We are pleased that the House has taken action and passed H.R. 7521 to protect the national security interests of Americans.

Not only does the bill prevent the Chinese from operating surreptitiously in America, it still gives Americans the opportunity to use TikTok in the future in a manner where our privacy is protected and our sensitive data is shielded.

We write to urge you to schedule a floor vote on the companion bill as soon as possible.

Sincerely,
